Subject:- Dead-stock articles for the Inspection Bungalow. Replacement and purchase of --

No.S-153-B/41205 of 1946. Poona, 31st December 1946.

The Deputy Director of Agriculture, S.D., Dharwar, has reported to me that crockery and furniture at the Departmental Inspection Bungalow Dharwar Farm have become unserviceable on account of the long service they have given and that it is necessary to replace these by new ones. The articles of crockery and furniture proposed to be replaced are shown in the list attached. It is estimated that these will cost approximately Rs.1000/-. I am satisfied that it is essential to equip this bungalow properly and I would therefore request that Government may be moved to sanction an amount of Rs.1000/- for the purchase of the proposed articles and to allow me to include the same in the revised estimates under "40-Agri-B-Superintendence-Contingencies".

The favour of very early orders of Government in the matter is requested.

The R.E.D has proposed an allotment of Rs. 1000/- for the replacement of the articles of furniture and crockery, which are reported unserviceable, at the Inspection Bungalow at ~~the~~ Dharwar Farm. It is not, however, known how long these articles have been in use. It may be pointed out here that the articles like tables, chairs etc. (at S:Nos. 1, 2, 3, 5 and 25 on page 3 ante) can be in good condition for a considerably long time. We may therefore, agree to the replacement of these articles subject to the remark that they will be replaced only if they are beyond repairs. As regards the other articles (crockery etc.), we may agree to ~~subject~~ the replacement of these articles on the presumption that they have been in use for not less than five years.

No.S-153-C/12889 of 1947. Poona 1, 2 May 1947.

Reference Government Letter, Reconstruction Department, No.1214-A of 11th March 1947. I have to state that the Inspection Bungalow at Dharwar Farm comprises of two suites of rooms. The list of the articles now on hand in the Inspection Bungalow is enclosed. It will be seen from the remarks column of the above list that the existing articles of furniture, viz.(1) Table (2) Easy Chair (3) Ordinary chairs and (4) Bed steads are worn out and hence they are required to be replaced. The existing unserviceable articles were purchased some time in 1930-31. The Dy.Director of Agriculture, S.D., therefore considers that unserviceable articles at S.No.1,2,3 and 5 are not worth - while keeping in the Bungalow even after repair. Wooden seats and cupboard at S.Nos.22 & 25 referred to in the above quoted Government Letter, are to be purchased newly & cupboard is required for keeping crockery etc. I would now request that Government may be moved to approve of the proposal contained in my letter No.S-153-B/41205 of 31.12.1946.

2) The Dir-of Agve. in his letter no. S-153-C/12869 dated 2nd May 1947, states that, articles at Sr.Nos 1, 2, 3 & 5 viz. table, easychair, ordinary chairs and bed-steads are worn out and are not worth keeping in the bunglow even after repairs and that, these and other existing un-serviceable articles were purchased some-time in 1930-1931. He further states that articles at S.Nos 22 & 25 viz, wooden seats and cupboards are to be purchased newly. In the circumstances, the Dir of Agve's proposal to replace the things may be agreed to.

3) The C.S.P.O. in his U.O.R. to G.D. no. S.P. 1B/1903 dated 20-2-1947. has stated that, he has no objection, if in-view of the transport difficulties local purchase is allowed. Govt. may accept this suggestion, as the transport difficulties still exist and the local purchase may be allowed.

4.) The letter at page 6. as amended ~~in the above view~~ may issue after U.O.R. to F.D.

Reference your letter No.1214-B dated 5th June, 1947, regarding purchase of new furniture and other articles for the Inspection Bungalow at the Dharwar Farm.

The Director of Agriculture, Bombay Province, Poona, in his letter No.S-153/B/41205 dated 31st December, 1946, approached Government with a request to sanction an amount of Rs.1,000 for the purchase of furniture and other articles for the Inspection Bungalow at the Dharwar Farm and to allow him to include the amount in the Revised Estimates. A copy of this letter was forwarded to the Deputy Director of Agriculture, S.D., Dharwar, who instructed the Superintendent, Dharwar Farm, to purchase the articles other than furniture. Accordingly, the Superintendent, Dharwar Farm, purchased dead stock worth Rs.500 and debited the expenditure to the grants for 1946-47 at his disposal. In these circumstances, I would request you to move Government to sanction the purchase of dead stock articles worth Rs.500 for the Inspection Bungalow at the Dharwar Farm.

The Principal, College of Agriculture, Dharwar, informs me that none of the worn out articles can be utilised.
